

**Mary Amend, CEBS**

**Vice President of Strategic Alliances  
Garner Health  
Omaha, Nebraska**

Mary Amend is vice president of strategic alliances with Garner Health, where she leads the national relationships with key broker and consultant partners across the country. She supports practice leaders, actuaries and subject matter experts as they explore Garner with their clients. Previously, she led enterprise-level consultant relationships for Quantum Health. Her professional experience also includes sales, consulting and actuarial roles with Mercer and State Farm Insurance. Mary is the 2025 ISCEBS Governing Council president and is a past president of the Colorado chapter and currently serves on the board of the Nebraska chapter. She has also served on many Society committees, including Professional Development, Membership and Chapter Development, and Symposium Education. She holds the CEBS designation and is CEBS Compliant.
