

**Devon Arndt**

**Managing Director, Clinical Product Innovation and  
Value Based Contracting  
Evernorth  
Minneapolis, Minnesota**

As managing director, clinical product innovation and value based contracting, Devon leads the team responsible for managing existing product solutions, including SafeGuardRx and EncircleRx, as well as driving new strategy and innovation across therapeutic areas. Devon joined Express Scripts by Evernorth in 2024. Before joining the organization, she held various roles within finance, analytics, strategy, and rebate negotiation at UnitedHealthcare and Takeda Pharmaceuticals. Devon earned a B.S. degree in international business and economics from St. Catherine University in St. Paul, Minnesota.
