

Kate Bernier

Co-Founder and COO

Airbo

Marina Del Ray, California

Kate began her HR career at Marriott Group, where she quickly saw how challenging it was to communicate benefits and HR information effectively. She went on to cofound Airbo with Vlad Gyster to tackle these challenges head-on. Since then, Kate has worked with companies of all sizes, from 100 to 150,000 employees, and across various industries to improve benefits engagement and communication
