

Douglas A. Bertossi, CEBS, CPA

**Managing Principal of Assurance
CliftonLarsonAllen LLP
Minneapolis, Minnesota**

Douglas Bertossi is currently the managing principal of assurance of the employee benefit plan practice at CliftonLarsonAllen LLP and has more than 30 years of employee benefit plan audit and consulting experience. Bertossi's background includes audits of single, multiple and multi-employer benefit plans, including defined benefit and defined contribution pension plans, health and welfare plans, training funds, 11K filers, non-ERISA plans and other tax-exempt organizations. He has also consulted on numerous employee benefit plans regarding plan administration, operations and compliance matters. Bertossi holds a bachelor of science degree in accounting and finance from Minnesota State University–Mankato and holds the CPA and CEBS designations. He is a frequent speaker to many local and national benefits organizations.
