

Donna Costa
Executive Director
PSC-CUNY Welfare Fund
New York, New York

Applying over 20 years of experience in finance, accounting, and benefits management, Donna Costa currently serves as executive director of the PSC-CUNY Welfare Fund. In her role, she oversees operations, negotiates contracts, implements changes and ensures regulatory compliance for benefits programs catering to over 40,000 City University of New York (CUNY) employees. As a dedicated committee member of the New York City's Municipal Labor Technical Committee (MLC), which represents 102 municipal unions and over 1.1 million lives, she actively contributes to policy advocacy supporting municipal workers' interests and ensuring their voices are heard in policymaking processes. She also participates in various MLC subcommittees, furthering her commitment to enhancing the welfare of municipal employees. Donna has been involved with the International Foundation since 2010, when she attended her first U.S. Annual Conference. She has since volunteered by serving on the Board of Directors and moderating events. The Foundation is thrilled to have Donna and her wealth of knowledge leading the Public Employees Board. In addition to the U.S. Annual Conference planning process, Donna will be instrumental in the inaugural Public Plan Trustees Institute in July.
