

Philip Coté, CFA, FRM

**Director, Client Consulting
bfinance Canada
Montréal, Québec**

Philip Coté is a director on the Canadian consulting team at bfinance. He has more than 20 years of financial services industry experience across institutional investment consulting, manager research and product development roles. Prior to joining bfinance in 2019, Philip was a director at Pavilion Alternatives Group, where he led manager research and due diligence assignments in the area of private markets investment with a focus on real estate, infrastructure and private debt. Earlier in his career, he worked at CIBC Asset Management and National Bank. Philip is a CFA charterholder and holds the FRM designation. Philip completed a bachelor of commerce degree at Concordia University and a graduate certificate at McGill University.
