**Executive Director
Electrical Contractors Association and
IBEW Local 134 Fringe Benefit Plans
Alsip, Illinois**

Erin Keane is the executive director for the Electrical Insurance Trustees (EIT) Fund, serving the Electrical Contractors Association and IBEW Local 134 in Chicago since July 2022. She is responsible for managing the operations of the Fund Office, including various health and welfare plans as well as the defined benefit and defined contribution pension plans. Shortly after joining EIT, Keane helped open the new EIT Health and Wellness Center, located on the site of the Fund Office and Apprentice Training Center campus. Keane has an extensive background in finance, budget and benefits administration. Prior to joining EIT, she served as the executive director for the Policemen's Annuity and Benefit Fund of Chicago. She also served as an employer trustee on three of the city's pension funds during her time as the comptroller for the City of Chicago, where her duties included overseeing health benefits administration for city employees and their families.
