

Tami Kellam, B.S.N., RN

**Senior Clinical Consultant
Segal
Farmington, Connecticut**

Tami is a senior clinical consultant in Segal's Farmington office. A seasoned registered nurse, Tami has over 30 years of experience in nursing, case management, utilization management and managed care. She has extensive consulting experience in high-cost claimants, population health, and employer health and benefits strategy, providing clinical consulting expertise to optimize health care outcomes and benefit programs. Tami received her B.S.N. degree in nursing and psychology from the University of Massachusetts Amherst and a B.A. degree in education from Our Lady of the Elms College, and she completed WELCOA's certification course.
