Neda Nasseri, Pharm.D., M.B.A., M.Sc.

Product Director, Pharmaceutical Benefits
Desjardins Insurance
Montréal, Québec

Health care innovator by day and organizer by night, Neda Nasseri strives to make health care more accessible, equitable and affordable. She's a pharmacist with experience in both community pharmacy and the pharmaceutical industry. Currently, Neda works in the private payor sector, at Desjardins Insurance, as a product director for drug benefits. She has always been very passionate about learning. Neda earned a master's degree in pharmaceutical sciences as well as a master's degree in business administration. She also specialized in marketing and ethics. Women's health is very dear to her heart, and Neda is currently working on different initiatives to support women in the workplace.
