

Kelly Nicholls

**Director, Consultant Relations
ComPsych
Chicago, Illinois**

Kelly Nicholls joined ComPsych as director, consultant relations in August 2024. Her 20 years of experience working in the financial services, benefits, and mental health and well-being industries has positioned her well for work that positively impacts the lives of many. She has developed broad knowledge across many areas, including global benefits; multinational pooling; captive programs; expatriate insurance; assistance, risk, and travel products; U.S. and Canadian benefits, network management, strategic planning, mental health and wellness, and partner relations. Kelly has a bachelors' degrees in international management and French and is licensed as a life, accident, and health insurance producer. She serves on the Education Committee for the ISCEBS Twin Cities Chapter and as an event volunteer for the American Heart Association and Withall. Kelly's work has always centered on relationships, and she remains eager to build new partnerships and provide strategies that support business objectives and overall well-being.
