

**Rick Olivier, M.B.A.**

**Director – Cybersecurity Business Development  
Eide Bailly, LLP  
Sioux Falls, South Dakota**

Rick Olivier is the director of cybersecurity business development at Eide Bailly, LLP, a top 25 CPA firm with a leading technology division that helps organizations align technology and cybersecurity with business strategy and risk management. With over 20 years of experience, Rick has led teams that have supported thousands of clients across multiple industries in developing cybersecurity programs that not only protect against threats like social engineering but also ensure compliance with evolving regulatory requirements. He holds an M.B.A. degree in strategic leadership and is committed to helping businesses turn cybersecurity into a strategic advantage.
