

LaReina Tipping, MSW, CAPSW

**Program Manager
Brain Center of Green Bay
Green Bay, Wisconsin**

LaReina Tipping is a Certified Advanced Practice Social Worker through the State of Wisconsin Department. She holds a master of social work degree from the University of Wisconsin–Green Bay. Since 2001, LaReina has lived in Green Bay, Wisconsin and has worked in the human services field for 21 years across various nonprofit sectors. Through her diverse roles, she has dedicated herself to improving the lives of individuals by engaging in direct practice, connecting clients with outside resources, providing education, demonstrating leadership, and implementing prevention efforts. Her experiences working directly with individuals newly diagnosed with mild neurocognitive disorders and dementia-related diseases have led her to her current position at the Brain Center of Green Bay. LaReina is passionate about educating others on brain health, neurocognitive disorders, and dementia-related diseases through community training and outreach initiatives.
