Tomorrow  
London, England**

Mike Walsh is the CEO of Tomorrow, a global consultancy on designing companies for the 21st century. For the past 20 years, he has been a leading authority on disruptive innovation, digital transformation, and new ways of thinking. As a global nomad from a diverse ethnic background, futurist, and author of three bestselling books, Mike advises some of the world's biggest organizations on reinvention and change in this new era of machine intelligence. His views have appeared in a wide range of international publications including Inc. Magazine, BusinessWeek, Forbes, and The Wall Street Journal. Recently, LinkedIn invited Mike to publish his weekly newsletter Tomorrowist about next generation leadership. As a regular contributor to the Harvard Business Review, he writes articles that explore a wide range of cutting-edge leadership topics including data-driven decision making, agile organizations, algorithmic management, and AI ethics. Mike's latest book, *The Algorithmic Leader*, offers a hopeful and practical guide for reinventing leadership and organizations. Mike also works with enterprise learning and development leaders to create compelling programs to upskill teams for a world of AI-powered competition.
